## TECHNICAL PUBLICATIONS - INTERN

---

FICO (NYSE: FICO) is a leading analytics software company, helping businesses in 90+ countries make better decisions that drive higher levels of growth, profitability, and customer satisfaction.

Many of our products reach industry-wide adoption — such as the FICO® Score, the standard measure of consumer credit risk in the United States. FICO solutions leverage open-source standards and cloud computing to maximize flexibility, speed deployment and reduce costs. The company also helps millions of people manage their personal credit health.

### *Role, Responsibilities & Qualifications –*

- Gain the proficiency to demonstrate your product from the perspective of end users
- Research, write, and edit documentation deliverables.
- Author technical notes for the knowledge base.
- Work with other technical writers across FICO to look for ways to continually improve our processes and procedures.
- Requires ability with English spelling, grammar, punctuation, syntax and composition rules and a clear business/technical writing style.
