Greetings from FICO!

As communicated to your placement team, this is towards your application for an employment opportunity at FICO.

Next step in the selection process will be an online test which would assess your programming and aptitude skills. It will be conducted on an online platform (CodeSignal).

Please find attached a document with instructions for the online test on CodeSignal Platform.

Below are key details outlining the process flow:

1. The online test is scheduled for **Saturday, December 26, 2020 at 11:00 AM**. The test has a total of 18 questions. Please note that the actual test link **will be activated by 10:55 AM.**
2. Make sure you submit the test at the end of the 60-minute scheduled. Late submissions will not be considered for evaluation.
3. There is no negative marking in the test.
4. Use of calculator, mobile phones, or using any unfair means is strictly prohibited during the entire duration of the test.
5. Use the same Email that you have used to register with FICO (where you are getting this email).

ACTION REQUIRED PRIOR TO THE TEST:

We have created a sample practice test link for you to **Register** and explore CodeSignal Platform. Please go to the link below, create an account using the same email id which you have used for placement registration (i.e. where you are getting this email) and explore CodeSignal platform:
https://app.codesignal.com/public-test/6LfEYrAoANzGsQoiN/4fbgMfxxa2tpDQ

It would be great if you can create CodeSignal account and familiarize yourself with the platform the soonest you get this email – so that it will be easier for you to take the test at the scheduled time. Also, once you create the CodeSignal account for the practice test, you'll be able to use the same account on CodeSignal platform to take the test at the scheduled time.

LINK FOR TAKING THE TEST AT 11:00 AM on 26th December 2020:

Please use the below link for taking the test per the schedule below. This link will be activated 5 minutes prior to the scheduled test time:

In case you have any question, please reply to this email.

Best wishes!

Regards,
FICO College Recruiting team
